## **SCIENTIFIC PRIZE "I GUIDONIANI"**

**The Italian Association for Aerospace Medicine and the National Association of Assistants and Controllers of Air Navigation announce the VII edition of the scientific prize "I Guidoniani".**

**This year the prize will be 2,000 Euros for the best original paper in the field of medicine, psychology and engineering, about men and atmospheric/spatial flight and 2,000 Euros, in memory of Massimo Petrella, for the best original paper in the field of medicine, psychology and engineering about men and air traffic control.**

**Are admitted to the selection scientists below 35 years of age, with a degree in medicine, biology, psychology, engineering.**

**Applications, properly completed and signed should be submitted on-line at the email address: [segreteria@aimas.it](mailto:segreteria@aimas.it), or faxed at the number: 06.99331577.**

**The notes for authors can be downloaded at the following address:**

**<http://www.aimas.it/notesforauthors.pdf>.**

**The deadline for the presentation of applications is the 15<sup>th</sup> of June 2017.**

The prize will be assigned in one instalment and is compatible with other types of scholarships, research grants and scientific prizes. Each prize is of 2,000.00 Euro.

- ✓ The deadline for the presentation of applications is the 15<sup>th</sup> of June 2017. Papers deemed worthy, in addition to the winning paper, will be published in the Italian Journal of Aerospace Medicine.
- ✓ Are admitted to the selection scientists below 35 years of age, with a degree in medicine, biology, psychology, engineering.
- ✓ Applications, properly completed and signed should be submitted on-line at the email address: [segreteria@aimas.it](mailto:segreteria@aimas.it), together with:
  - photocopy of an ID;
  - copy of the paper in English;
  - curriculum vitae;
  - disclaimer for the publication of the paper by AIMAS;
- ✓ The template of the application form is attached.

The prize is indivisible and is given based on the classification assigned by a commission, which includes university professors and experts of the field, appointed and chaired by the AIMAS President. The evaluation of the paper will take into account the originality of the research, its scientific relevance and its expository clarity.

The examining commission will write a brief report that will be issued with the prize. The winner will be awarded the prize at the opening ceremony of the 65<sup>th</sup> ICASM Congress in Rome .

**SIGNED**  
**AIMAS President**  
**Prof. Enrico Tomao**
